**NOTIFICATION of SERVICE LINE RESPONSIBILITY
CUSTOMER-OWNED BURIED PIPE**

PLEASE READ: The US DOT requires operators of gas distribution systems to notify all customers about the maintenance of **customer-owned buried piping**. This notification should be sent one time to each customer. *[Department of Transportation regulations at 49 CFR Part 192.16]*

Kentucky Frontier Gas is not responsible maintaining **anything** downstream of the gas meter. If you have buried gas lines downstream of your gas meter, you should have them periodically checked for leaks or corrosion. Any problems you find should be promptly repaired.

The gas utility cannot do this work. We will refer you to local plumbing or heating contractors who can assist in location, inspection and repairing your buried piping and other gas facilities.

Customer Acknowledgement

I understand Kentucky Frontier Gas **is not responsible** for any buried service lines or gas piping downstream of the meter on my property.
